money for organizations, etc. All  
other pay auditorium calls shall  
be sponsored by the student body  
and for the purpose of bringing  
entertainers and lecturers to the  
school and not to make money.  
Two of the authorized "aud" calls  
shall be given the first semester  
and the proceeds shall go towards  
meeting the expenses of the var-  
ious organizations. The other two  
"aud" calls shall be given the sec-  
ond semester for the benefit of the  
annual high school publication.

Each organization or department  
shall make a budget of its needs  
for the year and give it to the  
office early in the semester. The  
proceeds of the auditorium calls  
shall be pro-rated among the  
various organizations according to  
their needs. Four committees of  
three each shall be appointed at  
the beginning of each semester to  
be in charge of these "aud" calls.  
The teachers of dramatics and  
music shall be ex officio members  
of the committees, but shall not  
only in an advisory capacity.

**Regulation of Clubs**  
All club meetings must be held  
on school grounds. Evening clubs  
must have on file a permit blank  
signed by the parent or guardian  
of each student before he may be  
allowed to be a member of the  
organization. These permit blanks  
shall be sent home at the begin-  
ning of each semester and shall  
state the day, place and hours of  
meeting.

The only authorized banquets  
shall be the Alumni, Girls' Athletic  
Association and Lettermen events.  
Any other groups or organizations  
wishing to give banquets must  
apply at the office for permission  
10 weeks before the time planned.  
No organization should ask for  
this permit unless the program  
planned for the dinner has real  
merit.

**Dances and Parties**  
The only school dances which  
shall be permitted are the Senior,  
Alumni, G. A. A., Varsity dances  
and the Junior Prom. Except at  
the Alumni dances, only high  
school students may be permitted.  
Seniors may be permitted one  
dance a semester, but the dance  
must substitute for any other in-  
dividual party. The Modern and  
Manners club may have one eve-  
ning reception a year.

No school party may be held  
away from the school grounds and  
may at no time include outside  
guests except parents. The discus-  
sion or announcement in home  
rooms and classes of parties held  
away from the school and not  
sponsored by it is strictly pro-  
hibited. No student may be al-  
lowed to attend any party who  
has not on file with the sponsor  
of the party a permit signed by  
his parent or guardian. There may  
be no evening parties except for  
students of the 10th, 11th and 12th  
grades. Junior High school parties  
must be held at noon, during the  
home room period, or after school.  
Only one party a semester may  
be given by any class and there  
may be no evening parties given  
by organizations.

Boys on athletic teams must ob-  
tain "Release from Responsibility"  
blanks at the beginning of the  
term. These blanks shall serve  
for the athletic season. The only  
school trips that shall be permitted  
are local ones or those which are  
authorized by the superintendent's  
office. Trips usually authorized  
are the Girls' League and Press  
club conventions, scholarship and  
forestry trips.

## Doin's of th'

**Flyin' Buzzard**

By DUETTE HILL

A wild bull came bellerin' in-  
to camp last night down in  
the black brush, as we wuz  
snorin' between the saggins.  
Dogie Cy is hard o' hearin' 'n  
sleeps with th' tarp over his  
head to boot, so when the dogs  
charged he raised up just as  
that bull started to jump his  
bed.

He threw cover, boys, 'n it  
went right up over that bull's  
horns. Dogie run fer a measly  
little oak that the wranglin'  
horse was tied to.

It was moonlight an' that  
"nasty" bull caught sight o'  
his white underwear 'n it was  
a tie. But the horse removed  
that tree and drug it off to  
the wild bunch—now Dogie Cy  
is huntin' horses, underwear  
an' beddin'.

Could a bene worse tho he  
says—"I might o' had red un-  
derwear on."

## Rainbow At Night Seen By Two Men

By the United Press  
A rainbow caused by a full  
moon.

This phenomenon was viewed by  
Jens Petersen and Alex McCul-  
lough on their way home to Los  
Molinos from Chico.

The sun had set three hours  
previously, the two said. But the  
moon, appearing after a rain,  
glowed on the rain clouds in the  
west with such intensity as to  
produce a perfect, multi-colored  
rainbow.
